NOVEMBER 2018

## MESSAGE FROM THE 2018-2019 E.R. TODD

Brother and Sister Elks,

Saturday, October 13, was a day I will not soon forget. That night, we hosted our first annual "Bust a Cap in Cancer" gun raffle, and our lodge responded brilliantly with an event that was successful in social, recruitment, and philanthropic endeavors. We were able to raise almost \$5,000 for Not By Choice, Cerebral Palsy organizations, and Kenton City Schools' students, show off the lodge and Club to prospective members (and future members--we got some applications returned!), and have a wonderful evening of fellowship together. Many contributed to make this event a success, but special thanks go out to Nate Davis and Mike Sturgeon, our Lecturing and Loyal Knights, for their roles in making this event happen.

The gun raffle was, on a smaller scale, everything that Elksdom is. Our membership centers around enhancing our community, being able to socialize and network with each other, and bringing new members to our ranks to increase the footprint we can make. To accomplish this, we must continue to strive to accomplish these goals in all that we do, big or small. Hopefully you are able to participate in our events when they happen, but events aren't our only outreach as members! Invite new members up to the lodge for a drink or a meal, or for an event! Communicate an idea you have, and let's see if we can find a way to make your vision a reality! There are so many ways you can be involved in our lodge!

I've said it before, but your membership is so much more than a number or a statistic. Whether you joined as a social member, you have a desire to be an officer some day, or you fall anywhere in between, your membership card entitles you to ALL the rights, privileges, and responsibilities of being an Elk. If each of our members volunteered one hour of time to a project in or out of our lodge, we would be near 26 days full days, or 78 eight hour shifts, of work done. Can you imagine what we could accomplish with that kind of man power? That is real impact! What if each member could bring in one new member that they could take under their wing? We would go from the 600s in membership to the 1200s in membership, very quickly!

When you hear about the good things that we do, the tasks many times seem overwhelming, or if things are going smoothly, you may think that we don't need any extra help, or that everything is always covered. I assure you, there is a place for you, and we would love to have your help! If you can't make a huge commitment, can you make a one hour commitment? A one member commitment? That means just as much as our large-scale good works!

**Deadline for submission of articles is the 20th of each month.**

Hopefully you are enjoying the new menu, and after musical is over, I can't wait to enjoy the Club more with you all! If you haven't joined us for a Buckeye game on Saturdays, an ENO Tuesday nights, or dinner and drinks throughout the week, come on up during November! Queen of Hearts is back with some new payout rules, member daily and weekly drawings are doing well, and there is something for everyone!

Check out the rest of the Hoofprints for some more youth and member activities coming up!

See you at the lodge!

Todd Daquino, Exalted Ruler

## **VETERANS DAY BREAKFAST AND FIELD TRIP**

The annual Veteran's Day Breakfast will be held on Saturday, November 10, in the ballroom at the Elks. Breakfast will start at 8:30 a.m. and will be free for all Veterans; all others attending will be \$5.00 each. Anyone wishing to sponsor a Veteran's meal is welcome to do so at the door that morning, or by contacting Dave Faulkner or Julie Crowe before the event.

The program will be the Elks Kentones and Company, who will present the musical cantata, "American Dreamers", directed by Sue Fox Buroker.

Thanks again to our receiving the ENVSC Freedom Grant, we are able to offer a free field trip for area Veterans and their immediate families; this year, we will travel to the Civil War Museum in Tiffin, Ohio. The chartered bus will depart the lodge after the Veterans Day Breakfast that Saturday morning, November 10. After visiting the Museum, we will go out for an early supper and then visit the Tiffin Elks Lodge before making our way back to Kenton.

The bus will load at the Wayne Street entrance at 11:00 a.m., with departure set for 11:15; we should arrive back in Kenton by 6:30 p.m. If you know of a Veteran in an area care facility who is physically able to and would like to come to the breakfast and/or go on the field trip, please let Dave Faulkner or Julie Crowe know so we can arrange transport to and from the lodge, and assistance if necessary.

Plan to reserve your place on the bus as seating will be limited; a sign-up list will be posted starting October 1 on the bulletin board near the bar; deadline to sign up for the field trip is November 2.

Mark your calendars now for the Veteran's Day Breakfast at the Lodge followed by the Field Trip to the Tiffin Civil War Museum on November 10!

## **STATE PINS for CP**

An annual fundraiser for the Elks lodges in Ohio is the sale of "CP Pins". These pins are designed by the Ohio Elks Association President and help in raising awareness for our state major project.

Cost for these pins is a very affordable \$3.00 each or two pins for \$5.00.

You can get your very own CP Pin by contacting Julie Crowe, 419-673-5009, or ask your friendly bartender. Wear it proudly!

## **KEG AND EGGS**

**On November 23, don't forget to come up to the Lodge for our annual Keg and Eggs breakfast. Serving will run from 9—11 am. Then why not stay and help us root the Buckeyes on as we face "That Team Up North".**

## **BUST A CAP FOR CANCER RECAP**

The first annual 'Bust a Cap in Cancer' event was a complete and utter success! With the night of the event itself with 734 main tickets sold and sponsorships the Elks was able to raise a monstrous sum of money for 3 LOCAL charities. Taking all the firearms in the club, the 'Bust a Cap' event and all other items that have been raffled the total amount donated to Not by Choice was \$2,800 along with another \$170 donated to Not by Choice collected straight from cash donations. Along with the Not by Choice donation, the Capital Improvements Committee is also able to donate \$950 to the Ohio Elks State Major project CP and another \$950 to a Kenton Elementary PTO. This brings the total amount donated to be \$4,870 from the Capital Improvements Committee alone not counting the other grants that our Lodge receives annually. I want to take a quick moment to thank everyone that attended or bought tickets. Due to the smashing success of this event, we have decided to make this an annual event with monies going to local charities. Mark your calendars for the second weekend in October 2019 my fellow Elks, because we are going to make this even bigger and better than 2018. If you see these fellow Elks around the Lodge, thank them for their time, effort, and dedication in making this event so great: Meryl Kaufman, Joe Sherman, Gina Hoelscher, John Hines, Dustin McCullough, Derek Kaufman, Mike Fannon, Rob Longbreak, Tommy Flint, and THE Mike Sturgeon.

Nate Davis, Lecturing Knight

## **FAMILY FEUD RETURNS**

The Wednesday before Thanksgiving, Chad Spencer will again be hosting Family Feud. Get your teams together and sign up your team for the competition. The sign up sheet will be on the bulletin board at the north end of the bar. This is always an entertaining evening, so join in on the fun.

## **BUCKEYE TAILGATING**

Every game day, join the group and watch the game at the Lodge. Kevin McPherson is your host. The fun starts about an hour prior to kickoff. Come and join us as we cheer on the Buckeyes. Saturday, Nov. 23rd will also include our Keg and Eggs breakfast served from 9-11 am. We hope you can join us.
