JUNE 2018

## MESSAGE FROM THE 2018-2019 E.R. TODD

Brother and Sister Elks,

It feels like we skipped spring, and went straight into summer. The weather outside may be hot, but our patio and the Club are great places to come and beat the heat! I've noticed over my years of being an officer that we have tended to decline in bar and food sales during the summer months. I know that for many of you, your outside jobs keep you busy late into the night, and for even more of you, you like to go to the lake, travel, or do your own cooking out during these summer months.

I hope we can keep you coming up to the Club as much as possible. We have continued to upgrade our lodge over the last month, and more plans are in the works! If you've noticed an improvement in the sound quality of the jukebox and microphone behind the bar, Inner Guard Justin Draper has gone into the ceiling and worked on the wiring that sends sounds to each room in the lodge; even the bathrooms! Our trustees are meeting to continue to put together a plan for the upstairs Club room to be renovated, and our appearance to the outside world is getting a facelift this month too, as we have a new electronic sign coming in to replace the current sign on the corners of Wayne and Franklin Streets.

One more way to stay connected is by checking out our newly redone website: [kentonelks157.com](http://kentonelks157.com). We have added features to allow you to reserve the ballroom and see the ballroom reservations online, view the history of our lodge and the Elks organization, check out our food and drink menus, and more! With technology available at our fingertips, we want to utilize as many avenues as possible to continue our mission: serving our community, serving our members, and bringing new members into Elksdom.

Cont. next pg. .

**Deadline for submission of articles is the 20th of each month.**

We have most of these projects going smoothly, but are looking for help in some other areas. One area of particular need is our youth programming, both our Little Elks and Antlers programs. Little Elks are under the age of 12, and Antlers goes from ages 12-20. If you have any interest, please contact me, or any off our lodge officers!

Stay cool out there, and see you at the lodge.

Fraternally,

Todd Daquino

Exalted Ruler

## **STUDENT VOLUNTEER of the YEAR ANNOUNCED**

Congratulations to CLAIRA LOUISE WILSON of Hardin Northern High School on being selected the Student Volunteer of the Year for the Northwest District of the Ohio Elks Association. She is the daughter of Andy and Darlene Wilson. Her application was submitted for District judging by Sue Fox Buroker, Kenton #157 Scholarship Chairman.

Claira will receive a \$1000.00 scholarship from the DEA to be applied toward her tuition and/or room & board at Indiana Wesleyan University this coming fall.

Applications were received from three lodges in the district and competition was very stiff, but Claira's volunteer contributions to her community, school and church were quite varied and simply outstanding.

Congratulations again, Claira – Kenton #157 wishes you the best of luck in your college career!

-Julie Crowe, Kenton #157, Northwest District Youth Activities Chairman

## **"HELLO BILL"**

Have you ever passed by Upper Sandusky #83 lodge and wondered what the painting out front "Hello Bill!" meant, or what it's correlation to the Benevolent and Protective Order of Elks is? It is a universal greeting for all Elks and here's the story.

William "Bill" Goddard, of Minneapolis Lodge, No. 44, is the original "Hello Bill" of Elkdom, and this cheerful salutation which has found its way around the world, originated in Minneapolis during the Elks National Re-Union in that city in 1897. Brother Goddard was the treasurer of Minneapolis Lodge, No. 44, and its Chairman of the Finance Committee, and a member of a great many other committees that had in charge the arrangements for the Elks Re-Union of that year, and he spent a great deal of his time at the Committee headquarters.

When visiting Elks came to the headquarters to inquire about matters they wanted to know about, if they happened to meet anybody who was not fully posted, they were usually to "Go over there and ask Billy Goddard," and it was a constant strain of "Billy can tell you," "See Billy, he knows," etc., etc. This was repeated so incessantly that the stranger Elks when they approached Brother Goddard, greeted him with the expression, "Hello Bill! I was told to see you", etc., and so the custom started of greeting each other "Hello Bill!"

In a day or two the custom spread to the streets, with Elks from all parts of the country, and passing each other they sang out cheerfully, "Hello Bill!" and they carried the greeting back to their home lodges, and so it has spread around the ends of the earth and became the universal greeting to introduce yourself to fellow Elks across the country!

Now that you know the history behind the saying, the next time I see you, "Hello Bill!"

**Michael Sturgeon,  
Loyal Knight.**
