MARCH 2018

MESSAGE FROM THE 2018-2019 E.R. TODD

Brother and sister Elks,

As we enter March, the last month of our lodge year is upon us. Hopefully, you have all received your dues statements for 2018-2019. Please make sure you mail those in, or come up to the lodge and pay at the bar.

With the next lodge year upon us, it is also time for the annual officer installation and Inaugural Ball. I am excited to announce that we have two new officers, one familiar and one new, that will be joining our ranks! First, at Esquire, Chad Spencer will be joining our corps. Chad is the station manager at WKTN, and was our Exalted Ruler from 2013-2014. He is excited to come back in and serve the lodge as an officer again!

Also, I'm pleased to bring Justin Draper into the fold as our Inner Guard. You may have seen Justin bartending on weekends recently at the Club, or hosting trivia during the District Meeting weekend. Justin brings a lot of enthusiasm and excitement to our group, and is ready to start serving on the Lodge side of things, too.

I would like to formally invite you to the Inaugural Ball on Saturday, March 24, at our lodge. If you have never been to one before, this is a great time of our PERs installing the officers into their new positions, celebrating the previous year of Elkdom together, and looking forward to what is to come over the next 12 months. Also, this will be a special celebration, as we are also commemorating the Elks' 150th birthday! We will start with a cocktail hour and hors d'oeuvres from 5:00-6:00, then have the installation ceremony at 6:00 (usually 30-40 minutes), with dinner following after a few pictures.

Deadline for submission of articles is the 20th of each month.

To get an accurate idea of how much food we should prepare, I will ask that you sign up on the bulletin board by the bar no later than Saturday, March 17. On that paper, please indicate how many will be in your party, and what entree you would like (choices will be listed on the sign-up sheet).

Also, please remember that the 200 Club drawing is happening Tuesday, March 27th. At that time, you will be asked if you want to join next year's 157 Club drawing. There will be limited numbers available, and they will go fast! At this time, you can pay your dues for 2018-2019 and your 157 Club membership. There are still numbers available for this year; ask your bartender about getting a number for this year's drawing today!

Finally, I would like to encourage you strongly to invite your friends and family who may not be members to dinner, to an event, or just up to the Club for a drink. Talk to them about the good work we do in Kenton, and around Ohio. Show them the drawings, raffles, and other opportunities that exist with our membership. Let them see the good times we have together as Elks, and then, show them how they, too, can become a member. Applications are near the box where the gun raffle is, by the patio exit. The truth is, we will not be able to continue thriving as a lodge if we do not get new members into the organization, and that starts by the current members encouraging others to come in.

I'm proud to be a member of Kenton Lodge #157, and I hope you are, too. We have great facilities and great people in our organization; let's show that off to our non-member friends and family, too!

Have a wonderful start to Spring!

Fraternally yours,

Todd Daquino, Incoming Exalted Ruler

Historian Needed

Are you looking for a way to contribute to our lodge, but just don't know how? Do you have scrapbooking and organization skills? We are looking for a Historian for the 2018-2019 lodge year to help gather newspaper clippings, take pictures, and document some activities that happen at the Club and in the community. This position is incredibly important in our quest to make Kenton #157 an All-American lodge. The term "All-American", in Elkdom and in our society, means that you are the best that you can be. There is only one way to earn this title: through hard work and dedication to your Lodge and the Programs of our Order.

If interested, please let any lodge officer or trustee know. Thank you!

ENO Sponsors

The Club is always looking for sponsors for Tuesday night ENOs. Many groups sponsor meals for our members, including businesses, companies, and groups of members or individuals. This is always very appreciated by the membership, and also helps the Club by getting more members in the door on Tuesday evenings. If you have any questions, or are interested in sponsoring, please see Sue Buroker, Sharon Heydinger, or a bartender!

Dues statements

Many of you have probably received your dues notices in the mail in recent weeks. I am encouraging you to pay them by the beginning of our fraternal year on April 1, so you can fully enjoy the benefits of your membership. It is my sincere hope to retain 100% of our members from this year to next, so we can have our first membership net gain in recent memory. Any delinquent dues count against us in this venture.

If you have concerns you would like to be resolved prior to paying your dues for 2018-2019, please reach out to an officer or trustee, who should be able to speak to any concerns you may have, or find out an answer for you. We are always striving to make our lodge better for our membership and our community, and we would welcome the opportunity to talk to you!

There's always something you need for your kitchen, from spoons and spatulas to cookware and seasonings, and you'll be supporting a great cause with your orders!

BECOME A CP ANGEL PARTNER!

You can help those afflicted with Cerebral Palsy to have a brighter tomorrow with your support of fundraising projects and personal donations. And an easy way to donate to the cause is to become a CP ANGEL PARTNER!

Cerebral Palsy rehabilitation is the major project of the Ohio Elks Association. Throughout the year, your lodge holds several different fundraising events to benefit this worthwhile project, like the Yard Sale and the Coin Boxes. With these funds, local agencies can help those in need by purchasing equipment such as strollers, scooters, wheelchairs, crutches, treadmills and Walkables. Donations also contribute to physical and occupational therapy, massages, educational/training equipment, computers and software, transportation needs and emotional support.

While the lives of CP clients have been significantly improved with the help of the Ohio Elks, there is much more to be done. Cerebral Palsy is forever – there is no cure and it does not get better.

To become a CP ANGEL PARTNER, you simply pledge your donation of a \$100 - \$500 toward the project. Donations can be made in one lump sum or over the course of four years, in increments of \$25, \$50, \$75 or \$125. Your first \$100 total donation earns a bronze CP Angel Pin; \$200 total earns a bronze CP Angel Pin; \$300 earns a gold CP Angel Pin; and a donation of \$500 over four years gets all three pins plus a special Arch Angel CP Pin.

Of course, a donation in any amount is always most appreciated! All contributions are tax-deductible.

Every Elk should understand our Major Project and how important it is to so many lives in Ohio. Won't you please consider becoming a CP Angel Partner?

Donate to the Ohio Elks CP Angel Partner project by making your checks payable to the Ohio Elks Association Cerebral Palsy Endowment Fund, and drop it off in Todd's Box at the

club bar. For more information, contact Kenton Lodge CP chairman, Julie Crowe, at 419-673-8035. CP Angel flyers are available at the bar.

A NIGHT OF COMEDY—MARCH 17
